

MSRN Attendance Requirements

Members are required to attend a minimum of eight (8) meetings to remain in good standing. Five (5) of the required 8 meetings must be monthly member meetings; three (3) of the required 8 meetings may be members-only scheduled events or event participation (MSRN panels, MSRN tables at conferences). Members may be credited for attending up to two (2) of the minimum of 8 monthly meetings by sending a substitute to attend when that member is unable to attend. Those of you in a Corporate Membership share the attendance requirements.

Members joining mid-year have a pro-rated minimum meeting requirement.
